eMARYLAND MARKETPLACE ADVANTAGE (eMMA)  
ALL SOLICITATIONS OVER \$15,000 MUST BE ADVERTISED ON eMMA

# eMMA PROCUREMENT PORTAL

**eMMA** is Maryland's new online procurement platform used to connect the vendor community with contracting opportunities from state, county, and local government entities. Registered vendors will receive notices of bid opportunities, can submit bid responses online, and may obtain bid results online.

Qualified vendors may also complete the self-certification process for the Small Business Reserve (**SBR**) Program and Veteran-owned Small Business Enterprise (**VSBE**) Program.

UPCOMING A&E SOLICITATIONS

This notice serves to provide consultants with advanced information pertaining to upcoming Architectural and Engineering (A&E) contracts to be solicited through eMaryland Marketplace Advantage (eMMA) for the State Highway Administration (SHA).

eMMA is the official website used by SHA to solicit all A&E contracts. The below listed table provides consultants with a list of *anticipated* procurements to be solicited through eMMA. The list provided below is subject to change at the state’s discretion without notice.

SHA *will not* disclose any additional information related to these procurements including timing, scope, or services requested.

**All consultants must wait until the solicitation is posted on eMMA to ask questions related to these procurements.**

<b>BCS 2023-07 Geotechnical Engineering Services, Statewide</b>	
<b>No. of Contracts to be Awarded</b>	Three (3)
<b>Approximate Total Funding for # of Contracts</b>	\$7.5 million total (\$2.5 million for each contract)
<b>Forecasted Procurement Method</b>	<b>1-Step Procurement – Request for Technical Proposal</b>
<b>SHA Office</b>	Office of Materials Technology (OMT)
<b>Anticipated Advertisement</b>	February 2024
<b>Description of Services</b>	To provide Geotechnical Engineering Services, statewide for the MDOT State Highway Administration. The scope includes a full range of geotechnical engineering services to support planning, design, construction and maintenance of highway infrastructure.
<b>BCS 2024-05 Federal Grant Programs - Planning and Engineering Services - Statewide</b>	
<b>No. of Contracts to be Awarded</b>	Four (4)
<b>Approximate Total Funding for # of Contracts</b>	\$30 million total (\$7.5 million for each contract)
<b>Forecasted Procurement Method</b>	1-Step Procurement – Request for Technical Proposal
<b>SHA Office</b>	Office of Planning and Preliminary Engineering (OPPE)
<b>Anticipated Advertisement</b>	March 2024 – May 2024
<b>Description of Services</b>	To perform project design services for federally funded grant programs including Transportation Alternatives (TA), Recreational Trails (RT), Scenic Byways (SB), Congressionally-Directed Spending (CDS), Discretionary Grants, and any other efforts where LPAs are receiving federal or state funding. Services will include grant development, preliminary engineering and final design, construction

  - Federal funded program
  - \$5,000 each certified DBE, per year
    - Application and approval process
  - Product/service examples:
    - Software
    - Accounting/audits
    - Membership dues
    - Classes
    - Legal services

**2024  
 Business Development  
 Reimbursement Program (BDRP)**

**Office of Equal Opportunity**

**What is the BDRP?**

The Maryland Department of Transportation State Highway Administration (SHA) is pleased to introduce its Business Development Reimbursement Program (BDRP).

The BDRP is a DBE supportive service, with the goal of increasing the number of State Certified Disadvantaged Business Enterprise (DBE) firms serving as prime contractors and subcontractors on federally funded contracts. The objective is to assist MDOT Certified DBE firms in increasing their competency and business capacity.

**Who is Eligible?**

- All MDOT certified DBE firms with North American Industry Classification System (NAICS) applicable

**What Products and Services are Eligible for Reimbursement?**

*All options listed here must be associated with the DBE Firm's core business function:*

- Software/Software license
- Financial Audit/Review
- Project Estimating
- Membership Fees for Professional Organizations/Associations
- Website Design/Development and/or Logo Design
- Business Plan Preparation
- Technical Training
- Transportation Industry Related Seminars (registration and class costs, if applicable) - in the United States only
- Training/Conferences - registration and class costs, if applicable - in the United States only
- Tuition expenses for one continuing education or undergraduate course per program term

**One-on-One Counseling:**

- Accounting - Accountant services, cash flow review, income statement review
- Legal Services - services related to contract documents or the understanding of

**To Participate in the MDOT SHA BDRP, Go to**

Go to <https://roadsstage/mdotsha/pages/Index.aspx?Pageld=443>.

After reading the BDRP Guidelines, click on the Step 1 Application link. After completing and signing Step 1, submit the application along with a copy of your current W-9.

After your BDRP Step 1 and W-9 are reviewed, you will be notified of approval or denial.

***Reimbursements may take more than 60 days from date of approval of Payment Request Form.***
